## MANAGEMENT STRATEGIES

This section of the report offers suggestions for developing or managing the candidate based on his/her Profile responses.

### DRUG FREE ATTITUDES

- Illegal drug use problems should not be an issue for this candidate; therefore management strategies with respect to this issue are negligible.

### NON-VIOLENT ATTITUDES

- Violent or aggressive behaviors should not be an issue for this candidate; therefore management strategies with respect to this issue are negligible.

### RESPONSIBILITY

- This individual takes responsibility for their behavior and expects those around them to do the same. When they exhibit responsible and dependable behaviors they should be praised to show appreciation.
- Given their responsible nature, they may have low tolerance for those who do not behave responsibly.
- Some coaching may be required to increase tolerance levels if they are expected to work with less dependable team members.
- When appropriate increase levels of responsibility to show your confidence in their ability to perform.

## RULES COMPLIANCE

- This individual can generally be counted on to follow set objectives and directives. Provide them with clear goals and expectations.
- Engage them in tasks where following strict rules and procedures are essential.

- Count on this individual to enforce your direction and objectives with other employees.

## TRUSTWORTHINESS

- Continue to build trust by offering an open, supportive, trusting environment.
- Assign tasks that involve confidential information when appropriate.

- Utilize the individual in team building activities, as their trusting nature and ability to be trusted are ideal for team rapport.
- Their trusting nature may cause them not to be vigilant of others' potential manipulative behaviors. If this is an issue, discuss it with them. The emphasis should not be on reducing trust but on increasing awareness of the reasoning behind the behaviors of others.

## INTERVIEW GUIDE

This report includes follow-up interview questions that focus on those areas where further development might be needed. These questions serve as an excellent guide during the hiring process, coaching or developmental efforts to further uncover potentially negative behavioral tendencies
